Licensing Section Memo 1-2017

At the February 9, 2017 Life Safety and Property Protection Advisory Board meeting, the Advisory Board voted to extend the deadline for Qualifier Requirements as follows:

NON-REQUIRED FIRE ALARM

1. Certifications:

a. NICET 2 Certification (or higher) in Fire Alarm Systems; or

b. NTS Certified Fire Alarm Technician Certification; or

c. Professional Engineer with an Electrical or Fire Protection Endorsement

(one of the above must be obtained by July 1, 2017)

PRE-ENGINEERED FIRE SUPPRESSION

1. Certifications:

a. NICET 2 Certification (or higher) in Special Hazards Suppression Systems or previous Special Hazards Layout;

or

b. Professional Engineer with a Mechanical or Fire Protection Endorsement

(one of the above must be obtained by January 1, 2019)

The Board is currently seeking other certification options for qualifiers to choose from. These additional courses if approved will be listed on the State Fire Marshal website at the following link.
